Stanadyne LLC Supplier Diversity (SSD) program is designed to forge strong and innovative business relationships with minority, women, and veteran-owned business enterprises. Diversity is a core value at Stanadyne, and Supplier Diversity ensures that our supplier base reflects our Work Environment, Community, and Customer Base. Our Supplier Diversity commitment ensures that diverse businesses have an equal opportunity to compete for and win our business.

The Stanadyne Supplier Diversity Program's (SSD) mission is the achievement of its operational and financial objectives by delivering high-quality products and services at a great value through a diverse supplier base. These efforts contribute to the economic and social vitality of our communities and enhance our leadership role in the industry.

**All Stanadyne LLC suppliers are expected to meet and maintain the expectations and goals outlined on our website [www.stanadyne.com](http://www.stanadyne.com) and listed in the supplier quality manual.**

**Stanadyne LLC requests that if you are a Diversity supplier, to please submit to your certification of your status by the NMSDC or other approved organizations as soon as possible to [suppliercompliance@stanadyne.com](mailto:suppliercompliance@stanadyne.com).**

If you are not a certified Diversity supplier and meet the following:

A Diverse Supplier is defined as a U.S. privately held company that is 51% owned and operated by a woman, minority, veteran, or person with a disability, and certified by one of the following organizations:
